

CURRICULUM VITAE Schrenk, Dieter, Prof., MD, PhD

AGE: 68

DEGREES

Diploma in Food Technology: University of Stuttgart-Hohenheim, Germany
in Medicine, licence as a physician, University of Tuebingen, Germany

Dr. med. (M.D.) Faculty of Medicine, University of Tuebingen, Germany

Dr. rer. nat. (Ph.D.) in Toxicology: German Cancer Research Center, Heidelberg, Germany

POSTS HELD

- 2018- Senior Professor of Food Chemistry & Toxicology, University of Kaiserslautern, Germany
- 2004-2018 Full Professor/Head of Department of Food Chemistry & Toxicology, University of Kaiserslautern, Germany
- 1996 -2004 Professor of Food Chemistry & Environmental Environmental Toxicology, University of Kaiserslautern, Germany
- 1993 - 96 Lecturer at the Institute of Toxicology, University of Tuebingen, Germany
- 1991 - 92 Guest Researcher at the Laboratory of Experimental Carcinogenesis, National Cancer Institute, Bethesda, Md, USA
- 1989 - 93 Assistant Professor at the Institute of Toxicology, University of Tuebingen
- 1988 - 89 Research Fellow at the Department of Biochemical Pharmacology, University of Goettingen, Germany
- 1986-88 Research Fellow at the Institute of Toxicology, University of Wuerzburg, Germany

RESEARCH

- Risk assessment of food contaminants and environmental pollutants
- Toxicology of dioxins and related persistent contaminants
- Mechanisms of tumour promotion
- Nutrition and colorectal cancer
- Safety pharmacology
- Toxicology of phytochemicals and herbal drugs

HONORARY POSITIONS AND AWARDS

- Coordinator of the Graduate School 'Biotechnology' at the University of Kaiserslautern (1996-2000)
- Advisor of the Expert Committee 'Blue List' of the German Science Council (1997 and 1999)
- Temporary member of Expert Committees of the International Agency for Research on Cancer (IARC), Lyon (1998, 1999, 2000)
- Temporary member of the Expert Committee 'Re-evaluation of TEFs for Dioxins' of WHO, Stockholm (1997)
- Temporary member of the Expert Committee 'Acceptable Daily Intake of TCDD and Related Compounds' of WHO, Geneva (1998)
- Dean of the Faculty of Chemistry (2000-2002)
- Chairman of the Section Toxicology of the German Society for Experimental and Clinical Pharmacology and Toxicology (2000-2003)
- Member of the Senate Commission on Food Safety (SKLM) of the Deutsche Forschungsgemeinschaft (2005-2010)
- Coordinator of the Research Network 'Role of Food Constituents in the Etiology of Chronic Intestinal Disease and Perspectives for their Prevention via Nutrition' of the German Ministry for Education and Research (2002-2010)
- Member of the Executive Committee of EUROTOX (2006-2009)
- Best University Teacher Award of the State of Rhineland-Palatinate (2007)
- Member of the German Pharmacists' Commission on Medicinal Drugs (since 2009)
- Member of Commission E of the Federal Agency for Drugs and Medicinal Products, Bonn (since 2009)
- Member of the EFSA working groups on 'Brominated Flame Retardants' and on 'Dioxins in Sheep Liver' (since 2010).

- Member of the editorial boards of *Toxicology*, *Toxicological Sciences* and *Toxicology Reports*
- Chair of the Carcinogenesis Speciality Section of EUROTOX (2011-2015)
- Chair of the Carcinogenesis Section of the German Society of Toxicology (GT) (since 2012)
- EUROTOX Merit Award 2015
- Associate Editor of *Toxicological Sciences* (USA) (2012-2015)
- Vice-chair of the CONTAM Panel of EFSA (2012-2015)
- Member of the EFSA working group on 'Acrylamide' (2013-2015).
- Associate editor of *Food and Chemical Toxicology* (since 2013)
- Member of the German Federal 'Joint Expert Committee on Discrimination between Drugs and Food' of BVEL and BfArM (2013-2016)
- Member of the EFSA working group on 'Furan' (2016-2017).
- Chair of the CONTAM Panel of EFSA (since 2020)

MISCELLANEOUS

- Founder and coordinator of the first German Masters Curriculum in Toxicology (since 2007)

PUBLICATIONS

- > 150 publications in peer-reviewed scientific journals; h-index 50
